

## Latest Vacancies

Ocean Housing is a large, successful and expanding social enterprise in Cornwall, with a diverse range of activities within the four companies that make up the Ocean Group.

Our modern, purpose built headquarters are in St Austell.

If you are interested in joining one of the county's top performing Housing Groups that has won national acclaim for its Choice Based Lettings System, Eco Homes Strategy and Housing Corporation Gold Awards winners for innovation, we want to hear from you!

Ocean is committed to supporting the local community and education, through its commitment to the 'Young Apprentice' and 'Apprentice' programmes.

New recruits can join Ocean straight from school or further education, or from other companies. Careers range from construction, trades, development, housing management, administration, finance and customer services.
