

Problems paying your rent?

If you're having problems paying your rent speak to your Income Management Officer. We can offer advice about your debt, or agree to you paying the debt off in amounts you can afford.

The Income Management Officers are

Rachel Julian r.julian@oceanhousing.com

Sharon Phillips s.phillips@oceanhousing.com

Sue Gallagher s.gallagher@oceanhousing.com

They can be contacted on (01726 874450)

Agencies such as the Citizen's Advice Bureau can offer advice. Help is also available from the National Debtline which can be contacted on Freephone 0808 808400.

Your home is at risk if you fall behind with your rent and do not contact us to make arrangements to repay the debt.

If you are having money problems contact us immediately!

It's much easier to solve problems if they're caught early so DON'T wait until they get out of hand
