

## Street Talk

We publish four editions of our resident magazine, Street Talk, each year and these are posted to all our residents. The magazine is a mixture of Ocean news, useful information and tips, residents' own stories and competitions.

The production of the magazine is overseen by the Resident Editorial Panel who ensure that it covers news and issues that are relevant and interesting to Ocean tenants.

If you would like a topic covered in the magazine or want to share any stories with Street Talk readers, please let us know.

You can call our Tenant and Resident Involvement Team on 01726 874450 or email [tenantinvolvement@oceanhousing.com](mailto:tenantinvolvement@oceanhousing.com)

Large Print, Braille, Audio CDs and alternative language versions of this document can also be obtained by calling the Resident Involvement Team.
